Starrett[®]

A close-up photograph of a person's hands using a hand sander on a wooden surface. The sander is a rectangular block with a handle, and it is being moved back and forth across the wood. A large amount of fine wood dust is being kicked up into the air, creating a hazy atmosphere. The person's hands are visible, and they are wearing a dark-colored shirt. The background is slightly out of focus, showing a window and some outdoor scenery. The overall color palette is dominated by the natural tones of the wood and the dust, with a slightly desaturated, blue-tinted aesthetic.
